

# NEBRASKA MSIA & CERTIPOINT

## RECORDED WEBINARS

### Microsoft Imagine Academy (MSIA) & Certiport Overview

Give your students and faculty every opportunity! Microsoft Imagine Academy (MSIA) provides teachers and students with technology tools, training and skills to obtain Microsoft certifications. Certiport is the official certification agent for Microsoft. Together, these resources allow for teachers to prepare their students (and themselves) for certification success! View this webinar for a high-level overview of the Microsoft Imagine Academy (MSIA) and Certification program.

### Getting Started with Certiport

Want to learn more about Microsoft Industry Certifications and how they are delivered in the classroom? Join Sara Cox, your Certiport Deployment Manager, to discuss how to turn your classroom computer lab into a Certiport Testing Center. Certiport will also share how to use reporting to celebrate your students and promote your programs along with the best practices to get your students set up for certification and ensure their success on certification day.

### Microsoft Imagine Academy & OneNote

Educators carry a heavy workload that should be made easier by the technology they use! Microsoft Imagine Academy members have access to curriculum OneNote packages for easy organization, collaboration and customization. View this webinar to learn about this new MSIA curriculum resource as well as how to personalize the learning experience with OneNote to bring your classroom into the 21st century.
